Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The applicant and examiner discussed the limitation of "relating to location, position..." and how this relates to zooming. Furthermore, the applicant further clarified what the invention was. The examiner suggested to clarify "relating to location, position..." to something akin to relating to a problem/ a unagreeable location, etc. After further consideration, the examiner suggests adding an additional step of finding "the problem". Furthermore, the applicant clarified the relationship between two or more facial features was between one face.
